Panel Discussion*

“Role of Multidisciplinary Academic Research and Technology in Innovation”

Panellists	Dr. Tariq Iqbal Khan Dr. Clara Evi Citraningtyas
Participants	All Participants

This Panel discussion will take place to examine the role of Multidisciplinary Academic Research in innovation. The Panel members will look at many aspects of the links between science and society — in various aspects and possible future directions will be suggested. Panel members are invited in their capacity as research professionals to present their personal perspectives on the changing role of Multidisciplinary academic research in development of society and governance in this open forum. From this blunt and powerful exchange, a number of general observations and conclusions will be emerged that are relevant to the concept and agenda of the RCMI Conference. These are accompanied by suggestions for action recommended by some or several participants..
